

WILDLIFE RECORDING CHALLENGE

NAME..... DATE

<p>What is it?</p> <p>Write the species if you can. But sometimes you'll only be able to put the type. If you're not sure, don't guess! Use a book, ask someone else and take a photo so experts can check.</p>	<p>Grid Reference</p> <p>Find the grid reference using your phone or tablet</p>	<p>Record type</p> <p>How did you spot it? Did you see the animal or just a sign of it? Write down what type of sign. Did you use any equipment to see it?</p>	<p>How many?</p> <p>If its too hard to count don't worry, just put 'present'</p>	<p>Sex</p> <p>If you can tell whether its a male or female, write this down. Often you won't know!</p>	<p>Life Stage</p> <p>Is it an adult or a youngster? For a plant, does it have leaves or flowers?</p>	<p>Comments</p> <p>Any other important information. This might be who else you were with or what it was doing</p>
